MAT Paratransit

matbus.com/paratransit

MAT Paratransit is public transportation for persons with disabilities who are unable to use Fargo-Moorhead MATBUS Fixed Route Bus Service without assistance. The vehicles have lifts to help people board who can't negotiate stairs. The maximum weight limit for a MAT Paratransit Vehicle Lift is 800 pounds, including the combined weight of the passenger and mobility device. Advance reservations are required. This service is to the door, with drivers available to assist the rider between the vehicle and building. MAT Paratransit does not provide emergency medical service.

MAT Paratransit provides door-thru-first door transportation service on a reservation basis for individuals with disabilities who are ADA Paratransit Eligible and unable to utilize MATBUS fixed route service independently. MAT Paratransit features accessible vans and/or buses with wheelchair lifts.

We Are A Shared Ride Service

MAT Paratransit is a shared ride service which means the rider may not go directly to their destination without the driver stopping to pick up or drop off other passengers along the way. Paratransit provides over 200 rides per day. Driver schedules are designed ahead of time to accommodate these rides as efficiently as possible within the city limits of Moorhead, Dilworth, Fargo and West Fargo.

Wilkin County Transportation

218-643-7122
<https://www.co.wilkin.mn.us/>
In Breckenridge, individuals may purchase taxi tickets for accessing transportation in Breckenridge city limits. For residents that live outside of Breckenridge, volunteer drivers are available for ambulatory individuals who need transportation for medical and dental appointments and grocery shopping. A donation is encouraged.

Wilkin County helps to provide transportation services for senior citizens throughout the county either through providing taxi tickets or by arranging volunteer driver. The volunteer driver program is not always guaranteed. Must be ambulatory to access both services.

Who is eligible?

Individuals over 60 years old and disabled individuals of any age. For individuals who have Medical Assistance all arrangements for transportation for medical appointments must be arranged through their own health plans.

Uber* and Lyft™

Uber and Lyft are ride-hailing apps that operate in largely the same way: Open the app on your smartphone, type in the address you want to go to, select the type of ride you want to take (single, shared or luxury), see the cost and confirm. You'll be able to see where your driver is and when they're going to arrive. You may also request rides from their web-sites.
