MN Department  
of Transportation

"Getting from here to there with mobility management and Regional Transportation Coordinating Councils"

# Outreach: Connecting with Conference Attendees

- **National Regional Transportation Conference – Regional Association of Development Commissions –** Attendees National Regional Development Commissions(RDC)
- Session – for RDCs to learn about other states’ efforts with transportation coordination/access
- **St. Louis County Human Services Conference –** Several thousand attendees statewide Providers/Advocates/Managed Care Organizations/County Social Services/
- Mobility Management – Network TCAPs and RTCCs
- Exhibit Booth – info from all RTCCs/TCAPs/Solicited input What ideas do you have to address transportation barriers
- Presentation – Information presented represented all RTCCs/TCAPs – messaging attendees to be aware of local organization-consider participation

# Outreach: Connecting with Conference Attendees

## Minnesota Association of Development Organizations - Regional Development Commissions

- Fiscal/planning partners several RTCCs:
- ✓ Region Five, Mid MN, East Central, Northwest and Arrowhead
- Presentation at Annual Conference Meeting – Information shared about all the RTCCs/TCAPs- facilitated discussion

## Future:

Purpose to present – engage attendees:

- 1) to become knowledgeable about mobility management/transportation coordination
- 2) participation in their TCAP/RTCC
