

# What is a Volunteer Driver?

---

**VOLUNTEER DRIVERS PROVIDE  
TRANSPORTATION TO COMMUNITY  
MEMBERS WITH LIMITED  
TRANSPORTATION OPTIONS.**

**VOLUNTEER DRIVERS CHOOSE THE  
TIMES, DAYS, AND AREAS THEY  
WISH TO DRIVE.**

**MOST DRIVERS RECEIVE MILEAGE  
REIMBURSEMENT FROM THEIR  
AGENCY.**

**URGENT NEED FOR  
VOLUNTEER  
DRIVERS**

**IN MINNESOTA**

**An initiative of the Arrowhead  
Regional Transportation  
Coordinating Council, partially  
funded by MnDOT.**

## MAKING A DIFFERENCE

---

COMMUNITY STRENGTH IS AMPLIFIED WITH COLLECTIVE ACTION, AND YOU CAN HELP MAKE A DIFFERENCE WITH VOLUNTEER DRIVER PROGRAMS THROUGHOUT NORTHERN MINNESOTA.

---

MANY MEMBERS OF OUR COMMUNITIES UTILIZE VOLUNTEER DRIVERS AS THEIR MAIN SOURCE OF TRANSPORTATION: TO AND FROM NON-EMERGENCY MEDICAL APPOINTMENTS, GROCERY STORES, SOCIAL EVENTS, CONCERTS, AND VISITING FRIENDS AND FAMILY.

## VOLUNTEERING IS A TWO-WAY STREET

---

- Volunteering provides a sense of purpose.
- Volunteering allows you to connect to your community and make it a better place.
- Volunteers gain professional experience and help build upon skills you already have to benefit the greater community.
- Volunteering provides a valuable community services for both the driver and the person needing the ride.
