Mobility Management Workplan and Mobility Management Sustainability Assessment Tool MMSAT

Shared Focus: Serving people with greatest need, barriers and challenges

Mobility Managers

Mobility Management: Addressing Transportation For Dialysis – Arrowhead RTCC National Center Mobility Management

- Three dialysis centers in St Louis County (two in Duluth)
- Two Hospitals that provide dialysis
- High percentage of people on dialysis – especially on Medicare
- 50% of people needing treatment do not have access to regular transportation options
- Treatment schedule is not flexible (treatment includes holidays/weekends)
- Transportation options not flexible (limited weekend holiday schedule)

Future updates

- How might we...

- What if....

- Working ideas – pathway to next step

Headwaters RTCC

- Tammi Hagen – Mobility Manager
- Tony Klaers – Community Development/Transportation Planner

TCAPS – Applications submitted review for upcoming contract -2025
